A - 362mm B - 732mm C - 88mm

Left hand - slide **002237**

Right hand - slide **002238**

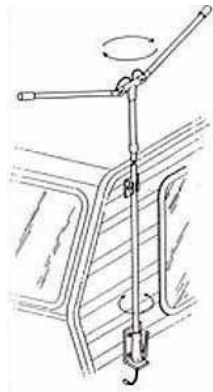

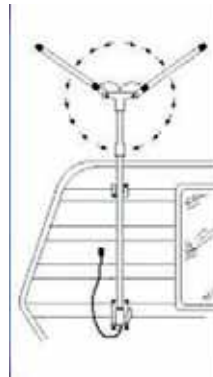

HAPPY WANDERER POP TOP ANTENNA

Simple to erect and stow. Tunes to horizontal and vertical polarised signals and can pick up UHF/VHF TV, FM radio and digital signals.

002287

FOLDAWAY FIT ANTENNA

Compatible with digital TV's. 360 deg of tuning either vertically or horizontally - can even be placed in an inverted "V" configuration for easier fine tuning. Fully portable, 600mm x 90mm, weighs only 1.5kg. Comes in its own carry cylinder. **002278**

Foldaway Extension to suit Pop-top **002280**

PHASELINK RV30 CARAVAN ANTENNA

Built in signal booster is engineered specifically for caravanners. Provides deep fringe performances on all VHF and UHF channels. **002311**

WINEGARD "SENSOR" ANTENNA AMPLIFIED

RV3090
Compact antenna with built in amplifier. Mounted on rugged aluminium lift which raises, lowers (to within 100mm of roof) and rotates from inside vehicle. Includes solid state antenna, lift assembly, 12V DC power supply/wall outlet, 6m cable and TV set cord with band separator. **002313**

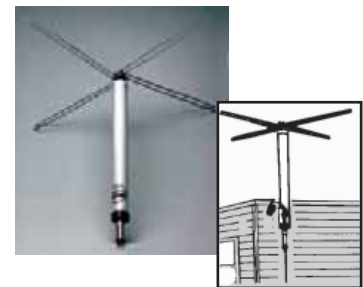

MA1000W
Motorised version of the Sensor with on / off push button control panel inside your RV. Raise, lower and rotate the antenna from the same control panel. **033526**

WINEGARD ANTENNA AMPLIFIED ROUND - RS2000

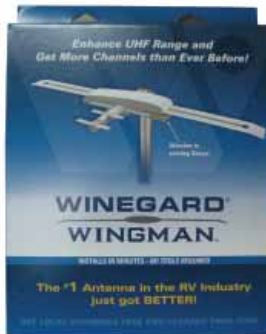

Continuously picks up VHF/UHF/FM signals from all directions without need for adjustment. Contained in a slim, stylish, high-impact weatherproof housing for protection from ultra-violet. Special low-noise, solid state amplifier is designed to boost weak signals. 12V DC power supply. **002327**

WINEGARD HIDEAWAY ANTENNA

UHF/VHF/FM travel antenna designed to pick up stations in all directions without rotor. Opens and closes like an umbrella. When travelling it is stored inside weatherproof tube. Includes housing with rain cap, shielded antenna, cable with connectors. Comes with mounting hardware. **002328**

WINEGARD® WINGMAN.

The Australian / NZ digital free to air channels are transmitted on a higher frequency than digital channels in North America.

Winegard manufacture a Sensor Antenna and now the Winegard Wingman specifically for this region of the world for optimum digital transmission.

Ensure the Wingman you purchase is suitable for our region and has

the letters **NZ-WING** above the bar code on the bottom of the box:

Features:

- Optimises Sensor for DTV channels
- Increases UHF performance up to 100%
- FREE digital programming
- Attaches to existing SENSAR head
- Installs in minutes, no tools required
- Lightweight, sleek add-on attaches to existing SENSAR head with 4 simple snap-on screws
- Increases UHF db gain up to 100% on DTV channels giving you more range
- Compatible with all Winegard Sensor Antennas
- Powder coated for long lasting durability in harsh environmental conditions
- Dimensions: 41.91cm W x 35.56cm D x 3.56cm H
- Weight: 453.59 grams

039699

explorer RV RECEPTION SYSTEMS "MUCH MORE THAN AN ANTENNA"

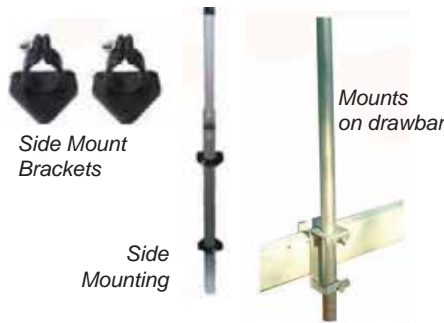

BOOSTED ANTENNA SYSTEM

Complete with a VHF/UHF antenna, booster, power supply, quality cables - all terminated ready for use, original through the wall connection system and TV transmitter guide book. 3 year warranty and a toll free technical support line. Excellent performance on UHF with the C2 having superior performance on VHF making it ideal for the around Australia traveller.

CAMEC PREMIUM PLUS CARAVAN / POP TOP / CAMPER TRAILER COVERS

Camec Premium Plus Pop-Top Covers have been designed and manufactured to protect your van from being exposed to the harsh climatic conditions.

Premium Plus – “Protection” the cover will provide excellent protection against acid rain, industrial pollutants, tree sap, bird droppings, dust and weather damage caused by leaving your van uncovered whilst exposed to the weather.

Premium Plus – “Quality” specially manufactured using a composite of three materials comprising a 100% waterproof roof section for maximum protection, weather resistant breathable side panels which allows the cover to breathe and moisture to evaporate resisting rot and mildew and a heavy duty reinforced skirt with an elasticised hem front and rear providing a strong guard against damage from sharp objects.

Premium Plus – “Practicality” incorporated into the complete range of Camec Premium Plus Pop-Top Covers which are lightweight, easy to fit and features a three zipper side panel that offers simple access to doors in any location and with bonus eyelets sewn into the hem it easily converts into a handy sun awning plus two dual clip nylon straps attached to both the front and rear of the reinforced skirt ensuring the cover is securely fasten for all weather conditions.

Features:

- 100% waterproof UV stabilised roof section
- Water resistant breathable side panels
- Reinforced skirt with dual nylon clips
- Double stitched reinforced corners
- Soft non-abrasive lining
