

FORCE II X-TRAIL GT

The Force II X-Trail GT is engineered to serve a specific purpose and trusted to take on some of the toughest conditions with its enhanced set of features which have widened the Force's off-road capabilities.

PROTECTION / DURABILITY / COMFORT

The Force II X-Trail GT has 5 heavy-duty 3.5 tone suspensions to choose from, so you can feel confident knowing that your van is going to be a perfect fit for the off-roading you have in store.

TOUGH FOR ROUGH CONDITIONS

The Force II X-Trail GT is built for some of the toughest conditions out there. Kokoda gives you the choice of 5 different heavy-duty off-road suspensions so you can feel confident knowing that your suspension is a perfect match for you.

SUSPENSION OPTIONS:

1. Oztrekker
2. Simplicity
3. Tuff Ride
4. Cruisemaster
5. Alko Enduro

DIAMOND ARMOUR

The Force II X-Trail GT has many protective components included standard to the vans exterior such as front mesh stone shield, extra high checker plate on front, sides and back & cut-away back.

Also the most valuable armour is the checker plate under carriage that shields the plumbing from getting damaged during off-road conditions.

CREATURE COMFORTS

The Force II X-Trail GT is packed with premium features such as a spacious rear leather club lounge, queen island bed with inner spring mattress, separate shower and toilet, full oven, double bowl sink and you also get to the choice out of 2 different fridge/freezers.

5 STAR LIVING QUARTERS

You will feel right at home with the Force's innovative interior design. It is modern, fresh and smart. Everything in this van has been designed to maximise space and comfort.
